

AME MENTORSHIP PROGRAM

PROGRAM EVENTS	DATE
<p>Kick Off Meeting</p> <p>The meeting will include a program overview, networking, and first mentoring match meet and greet. Program goals, participant roles, mentoring best practices, the Commitment Contract, program processes, and meeting/time expectations will be discussed.</p>	<p>November 17, 2021</p>
<p>Pathway to Your Dream Job – Three-part Workshop</p> <p>This is a three-part workshop with geologist Patrick McAndless who has helped hundreds of geologists effectively market their unique difference-making qualities and skills. Each of the three sessions, one week apart, will be 10-minutes with time for questions. In between the sessions, the mentees will complete tasks to market their strengths, skills and values.</p>	<p>November 24, 2021 December 1, 2021 December 8, 2021</p>
<p>Roundup Student Short Course</p> <p>In this course, students will get the opportunity to learn more about the dynamic roles they may play throughout their careers in the exploration industry.</p>	<p>January 30, 2022</p>
<p>AME Roundup*</p> <p>AME’s annual Roundup conference is a great opportunity for Mentees to connect network with people in the industry, as well as attend one or two events with their Mentor. <i>*Please note that Roundup registration is NOT included as part of the Mentorship program.</i></p>	<p>January 31 – February 3 , 2022</p>
<p>Introduction to Exploration Safety Short Course</p> <p>This Introduction to Exploration Safety is included in the Mentorship program for Mentees at no cost. You will learn about traversing safety, camp safety, field gear, hypothermia and cold-water survival, transportation safety and bear safety from experienced presenters.</p>	<p>Date TBC</p>
<p>LinkedIn Presentation and Networking</p> <p>This event will include a presentation on “How to optimize and use LinkedIn to Network” followed by a Mentors panel discussion focussing on their networking experience. It will give Mentees the opportunity to meet other Mentors involved in the Mentorship Program and expand their network in the industry.</p>	<p>May, 11 2022</p>
<p>Wrap-Up Event</p> <p>This wrap-up event will formally close the program and allow for potential new participants to learn more about the program. We suggest that Mentors and Mentees do their final meeting in October to review the year.</p>	<p>October, 19 2022</p>
