Thank You, Sponsors

This Spring, the AME Charity Golf Tournament is returning to the beautiful University Golf Club.

Spend the afternoon building your network and perfecting your swing, while at the same time, raising funds to support public outreach and AME's year-round advocacy initiatives.

This year's tournament will support the BC Mental Health Foundation (BCMHF), the fundraising arm of BC Mental Health and Substance Use Services. The BCMHF raises funds and awareness for projects that help people in British Columbia who live with severe mental health and substance use issues.
